Poster Preparation

Frame Size　900mm×1350mm

Poster Size　A0 format (height: 1189 mm, width: 841 mm)

※ Both the Japanese and English posters will be arranged in related
※ A desk will be set up in front of the poster panel as shown in the diagram below.
※ The poster number will be prepared by the secretariat.

・Please write the title, school and presenter's name, and title on the top of the poster.

・The layout and description of the main presentation content are flexible, but it is preferable to focus on the flow of the presentation, such as Introduction, development, transition, and conclusion, and to emphasize key points and original ideas.

・Please include all references in your poster.

・Please avoid making major changes from the registered content. Particularly, a title changes are not permitted for management reasons, so please develop, and extend the content within the scope of the registered title.

・Poster presentations will be explained using your posters, and PCs can be used supplementarily during the core time. Please note that presentations based on PC that are quite different from the poster is not an alternative the poster.

・Please bring your own presentation poster. We do not support printing at the venue.

・On the front table, there will be a mount on which evaluation stickers and comment stickers shall be attached. The judges, experts, and other staff in charge will refer to this mount, so please leave it on the table without collecting it when you remove the posters before 1:00 p.m. on the second day of the event. This mount is very valuable, so please make sure to collect it at the end.

Poster and Mount Sheet Removal Time: Saturday, March 28, 2026, 13:00–16:30
